

The U.S. Immigration Debate: Core Documents

Last Update: May 21, 2006

For those who are interested in or who are doing research about the current debate on the importance of unauthorized/undocumented/illegal immigration to the economy/society/polity of the United States, please find attached a list of more than 170 electronic references that are currently available in the websites that offer information on the subject. In this list you will find the titles and electronic addresses, ordered by subject and alphabetical order, of documents, publications and e-newsletters produced by think tanks, research centers, labor organizations, the church, religious organizations, governments, pro/anti-immigrants' organizations, etc.
